

Sustainability is important to us; as well as solar P.V.s on some of our buildings, our own steam loco 'The Green Dragon' burns wood waste briquettes (the first one of its kind in the U.K.). Our battery electric locos, Newcastle and Carlisle, run using electricity generated on site.

Our biomass boiler feeds all of our station buildings including our new engineering workshop.

Join us as a volunteer ...

Ever wanted to drive a steam or diesel locomotive, work in the signal box or as a guard for a real running railway?

The South Tynedale Railway Preservation Society are always on the look out for new members. You will get half fare travel for yourself and a guest throughout the year and 10% off café purchases as well as receiving copies of the railway's very own magazines. You will also be able to vote at the AGM to help the railway's continuing success.

We welcome members getting involved in all aspects of the railway. After appropriate training you can be an engine driver, fireman, train guard or signaller. Or you can help maintain the track, carriage or buildings, work in the shop and café, or help out at special events.

For more information on volunteering, see our website, download the form or call us to discuss and arrange a visit. We're a great team to be part of!

INFORMATION & TIMETABLE

TRIP ADVISOR CERTIFICATE OF EXCELLENCE 2014, 2015, 2016

HIGHLY COMMENDED at the NORTH EAST TOURISM AWARDS 2016

Welcome to ...

THE SOUTH TYNEDALE RAILWAY

Climb aboard at any of our stations for a leisurely ride through the scenic South Tyne Valley in the North Pennines Area of Outstanding Natural Beauty (AONB).

Our trains, which depart from Alston's restored Victorian station, are hauled by vintage steam, diesel and electric locomotives from around the world, each with a fascinating history. We have four stations with picnic areas at each one. On board the train it's time to relax and let some of the clearest air in the country present you with its most breathtaking views.

Look out to the rolling hills and down to the peaceful water's edge. Every square metre is teeming with life - from arctic flowers to native woodland, to leaping Roe deer and circling birds of prey. Alight at Kirkhaugh, Lintley Halt or Slaggyford and join the South Tyne Trail - as your train disappears into the distance you're surrounded by a truly rare tranquility to explore.

We love dogs - check  for where they're welcome!

2017 Train Times, Operating Days & Fares

Departure Times

Due to the ongoing project to extend the track to Slaggyford, departure times/days are being published on the website each month. Some elements of the project are ready, others may yet be to complete.

This means our times and days are subject to change. Please either ring our talking timetable on **01434 382828** or click on the link on the home page of the website for our up to date departure days and times.

Once we have completed the project and are also running to Slaggyford, departure times will be given for both.
