|  | STRPS – Safety Management System Section 8.3.2 Personal Property | REF: SMS 8.3.2 ISSUE: 03 DATE: 19.7.25* PAGE: 1 of 1 |
|--|--|---|

8.3.2.1 Requirements.

Personal property used while working at the railway must be clearly identified with the owner's name.

STRPS volunteers are advised that the South Tynedale Railway Preservation Society is not liable for any loss or damage to personal property.

Where personally owned Portable or Fixed Work Equipment is to be used to undertake work on the railway the following is required:

- The DOM/Responsible Person is notified of the intention to use such equipment.
- Portable electrical equipment must not be used unless it has undergone a Portable Appliance Test (PAT Tested) and confirmed as electrically safe in accordance with STRPS SMS Section 9.1.10.

8.3.2.2 Arrangements.

See 8.3.2.1

8.3.2.3 Applicable Legislation.

The Electrical at Work Regulations 1989.

Electrical Equipment (Safety) Regulations 1994.

8.3.2.4 References.

HSG 107 Edition 3 2013 Maintaining Portable Electrical Equipment.

8.3.2.5 Documentation

Portable Equipment Inventory & Test Records.
